For Administration Use Only: _____

Payment Instructions for Zelle Payments

In an attempt to make paying for your ticket more convenient, we are offering the option to pay for your tickets via a new ACH transfer protocol called Zelle. Many banks now offer Zelle for free to their clients as a payment option. Zelle is a simple, cost free way to send funds electronically from your bank account to the class bank account. It takes minutes rather than days and costs nothing for either the sender or the recipient. To send your registration payment via Zelle, you will need to complete the following steps.

1. You will need to set up your own Zelle account at your bank. Most banks now offer this service via their websites. These are usually pretty painless to set up but will vary by bank. It required my name, email and phone entered into an online form at my bank. They do require either or both an email address and a cell phone. One of the customer service agents at your bank can help you if you have trouble setting it up.
2. There is a Zelle app on GooglePlay and through the AppleStore. This app does not seem to work very well, we strongly suggest using the option via your bank's website instead.
3. Once you have set up your Zelle account, you then choose the option to 'Send Money'.
4. That will lead you to a form to enter the email address of the recipient. Our email address for this purpose is reunion@penncrest70.com
5. You fill in the amount to transfer and press send.
6. The Zelle ap will then transfer the funds, usually within a few minutes, and provide you with a receipt of payment. It also notifies us of your payment as well.
7. You will still need to fill out the Registration Form and either postal mail or email it to us so we know who to credit the tickets to. That form can be typed in on your computer or phone, saved and then emailed. Or you can print it out and mail it via the USPS.
8. That's it! No stamp, no envelope, no hoping your check doesn't get lost in the mail!
